

The Daily Freeman.

MONTPELIER, DEC. 28, 1863.

THE 5TH REGIMENT COMING HOME.—A special dispatch to the Burlington Times, from Washington, says the 5th Vermont Regiment left Washington Sunday, the 27th, for home. They are expected in Burlington Tuesday.

DIED, in Waterbury, Dec. 28th, James M. Henry, Esq., aged 54 years.
Funeral Wednesday, the 30th inst., at 2 o'clock P. M.

FAIR.—The Ladies' Soldiers' Aid Society in Montpelier are preparing an entertainment for New Year's Eve, at Washington Hall, in aid of their fund for the relief of sick and wounded soldiers. The enterprise is under the management of ladies who always accomplish what they undertake, and cannot fail to be a success; and we trust it will receive, as we know it will, the abundant patronage of our people.

CREDITABLE TO MONTPELIER.—The quota of Montpelier under the draft last summer was not filled, there being a deficiency of twenty-six men when all exempted had been discharged. The bounty recently offered here has remedied that, however, twenty-six men having come forward to cure the miscalculation of the U. S. officers and give the Government the full quota of the town. Without boasting, we think we can safely say that few other towns in the State have done as well.

PATENTS.—Patents have been recently issued to Vermonters as follows: To Rueben J. Cole, of Poultney, for improvement in turning lathes. To Thomas C. Ball, of Bellows Falls, assignor to himself and M. L. Baxter, for improvement in piston valves for steam engines.

THE BRATTLEBORO ASYLUM.—The burnt portions of the Asylum at Brattleboro have been rebuilt, and are nearly ready to be occupied. The cost of rebuilding amounts to about \$40,000.

Capt. SAMUEL DARRAH, Co. D, Tenth Vt. Volunteers, has been offered the position of Assistant Inspector General for the 3d Division, 3d Corps, by Gen. Carr, but has declined, preferring to remain with his company.

The Hon. GEORGE W. GRANDY, of Vergennes, has been elected President of the Addison County Bar Association.

N. L. PHILLIPS,
TEACHER OF MUSIC, and dealer in PIANOS and MELODEONS, (BARR, Vt.) has now on hand and for sale the great improved Melodeon, of all kinds and sizes. The results are brought to a wonderful perfection. Just moments of enjoyment they will give to their leisure, and no want of the children are too old to learn, but buy a piano or Melodeon at once, and set them to work. BY TELEGRAPH TO THE FREEMAN.

4 O'CLOCK, P. M.

NEW YORK, Dec. 28. The *Tribune's* army despatch states that the cavalry raid has returned to Bealton Station, having made a successful foray among the rebels, driving the guerrillas into the mountains, and destroying six tanneries.

A rebel mail and a quantity of medicines and dry goods were captured. Quantities of prisoners were also captured. Several brilliant skirmishes were had. The *Herald's* despatch says the reorganization of the army has commenced.

Gen. Tyler has been assigned to the command of the Irish Legion.

Deserters from the North Carolina troops continue to avail themselves of the President's amnesty.

Several regiments, both of the West and New England, are re-enlisting.

Steamer *Olympus* with Liverpool dates to the 16th inst., arrived this morning. The ships *Winged Racer*, from Manila, for New York, and the *Amara*, for Falmouth, were captured and burned by the Alabama, Nov. 16th, off Java Head.

The Richmond correspondent of the *London Times*, states that the blockade has now, for the first time, made access to the rebel forts really dangerous and difficult.

The correspondent of the same journal, with the rebel army of Tennessee, admits that a crisis is approaching to test the youth, and pays a high tribute to the magnificence of Northern faith and self reliance, as contrasted with the lukewarmness of Southern masses.

NEWBURN, N. C., Dec. 23. The new oath of allegiance has been administered to a number of rebel officers and soldiers who have recently come into our lines to accept of the pardon offered by President Lincoln. They bring intelligence from a large number who intend to do likewise at the earliest opportunity.

Late Wilmington papers announce the arrival at that port of blockade running steamers in great numbers.

NEW YORK, Dec. 28. The steamer *North Star*, from Aspinwall, arrived this morning. No news.

TEETH EXTRACTED
Without Pain and Without Danger
By the use of the Nitrous Oxide, or
LAUGHING GAS!
His method is perfectly harmless, and when the patient is under its influence, the operation can be made without the least pain. It not only destroys pain, but gives the most delightful sensations, and renders waking to consciousness a willing almost to be deprived of. Unlike Ether or Chloroform, there is no reaction, no lassitude no excitement, when in five minutes one emerges from a state of complete forgetfulness, without headache or any unpleasant feelings. Physicians have pronounced it beneficial to persons having weak lungs.
I have spent neither money or expense to make this important addition to my office, for the benefit of those afflicted with aching teeth.
